Kickstarting the engine after summer break can be difficult. That’s why we have a great event to help leaders prepare for an awesome fall. Join us on Sunday, August 12th for the Annual Council Membership and Popcorn Launch event at Burgundy Basin Inn. Units will learn everything they need to know to get ready for fall recruiting and program delivery, prepare for a successful Popcorn Sale, and find out about all of the exciting program opportunities the Council has prepared for your Scouts this fall.

To take full advantage of the available resources, plan to send at least two representatives to this event (more are encouraged) for your unit – at least one person who will lead your units Fall Recruiting efforts and one who will serve as your Unit Popcorn Kernel should attend.

The event includes an opening session for all participants with light appetizers and punch, followed by a brief presentation on the exciting events and activities planned for the Council this fall. Following the opening, participants will divide into separate groups – one to plan your fall recruiting efforts and one to help you organize a successful Popcorn sale. The Midway will highlight Council programs and activities throughout the event so you can get all the information you need to put the finishing touches on your yearly program planning.

The Fall Recruiting Breakouts will help you plan how to attract and retain new families in your unit program. Special attention will be placed on how to enhance what we have previously done while broadening our approach to appeal to girls and on how to recruit parents as leaders. Separate recruiting breakouts will be held for Cub Scout leaders and Boy Scout/Venturing leaders and will include best practice discussions from your peers. As in years past, attending units will receive a flash drive loaded with tons of resources to help you plan unit recruitment efforts and there will be time to focus on shared best practices that units in our council have utilized for success over the past several years.

The Popcorn breakout will unveil all of the resources to help you make the most of your 2018 sale. Our goal is to have every unit walk away from this training prepared with the resources to make their sale fast, efficient, and wildly successful.

Over the past 3 years, unit popcorn sales have increased dramatically. Come learn how to make the popcorn sale your “one-and-done” fundraiser for the 2018-2019 calendar year. Topics to be covered include: strategies for a strong Show and Sell, how to effectively use Credit Card Readers, how to run a fun and educational Unit Popcorn Kickoff, and how to manage a Neighborhood Blitz. All units that send a representative to BOTH breakout sessions (Popcorn and Membership) will receive an additional 2% commission.

Please join us for this exciting, fun-filled event as we prepare for the start of a great Scouting year!! For more information or to register please contact Chris Crittenden at 585-241-8580 or christine.crittenden@scouting.org.

Over the decades, the Boy Scouts of America has been a leader in developing training and policies designed to keep young people safe. These comprehensive policies were developed and soon became the standard used by other organizations for safeguarding youth. But when it comes to the safety of children, our goal is to continually improve.

Sustained vigilance on youth protection is a central part of our culture.

Over the past two years, the National Council worked with experts in the field of child abuse, child sexual abuse, and maltreatment to develop new training and resources that will further strengthen our ability to protect youth. These changes include:

1. Recruitment numbers were very strong. Most packs in the Seneca Waterways Council that participated in the LION program we have been running for the last two years as a Pilot Program will now be an official part of the Cub Scout program beginning this fall. During the Pilot, a limited number of Packs were allowed to participate and we learned a great deal in the process.

2. Retention numbers were equally strong. Roughly 90% of youth stayed in the program for a 2nd year which is higher than our average retention for SWC. There are a lot of likely reasons for this.

3. LIONS works best with more than 4 youth. The only place where retention numbers dropped were in packs that recruited less than 5 LIONS to participate. Most packs simply keep recruiting until they reach at least this critical mass, and many have found it easier to recruit LIONS than older Cubs.

WHITEWATER RAFTING BSA – A NEW AWARD

Submitted by the Council Advancement Committee

BSA has announced the Whitewater Rafting BSA award, similar to the Kayaking BSA award and less rigorous than Whitewater Merit Badge. Instead of a Merit Badge Counselor, this award may be signed off by any adult leader with Safety Afloat, but under the supervision of a licensed or professionally trained rafting guide. When your Unit plans a whitewater rafting adventure this could be in interesting addition. For more: http://www.scouting.org/filestore/pdf/Whitewater_Rafting_BSA_Application.pdf
The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. Upon nomination by their local Scout council and with the approval of the National Court of Honor, recipients of this award are registered adult leaders who have made an impact on the lives of youth through service given to the council. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service.

Warren Elvin became a Webelos Leader when his son joined Cub Scouts, then went on to serve as Committee Chairman for Troop 9, an Assistant Scoutmaster, and is currently a Troop Committee Member. While having proudly served in several volunteer positions for the Pack and Troop, his favorite role for the past 25 plus years has been that of Eagle Mentor/Advisor for Troop 9. He has coached more than 70 Scouts on their trail to Eagle. Warren has been previously honored with the Unit Award of Merit and District Award of Merit. He also serves as a counselor for five merit badges.

Mark Pulvino, (Eagle Scout), worked on staff at Camp Mountaineer from ’83 to ’87 as Training Post Manager, Commissioner, and Program Director. During college at MCC, he served as Assistant Scoutmaster for Fairport Troop 142 and as a Webelos leader for Fairport Pack 209. When his son joined Scouting, Mark served as Den Leader, Cubmaster (Pack 363) and on to Assistant Scoutmaster and Scoutmaster (Troop 110). He chaired several Klondikes as well working on Challenge Trophy Camporees. Mark is an active member of the Seneca Waterways High Adventure/Trek committee. He chaired the Massawepie Outdoor Challenge, “46 Scouts on 46 Peaks,” and is also an Adirondack 46er!

Andy Gates, (Eagle Scout), has served as cubmaster for Pack 208, Assistant Scoutmaster and Scoutmaster for Troop 208. He created the Troop 208 Scout Band to celebrate the BSA’s Centennial in 2010. Andy is a member of the Council’s Advancement Committee, serves as Towpath District Advancement Chair and Merit Badge Dean, in addition to being a Campermaster at Camp Cutler, a Unit Commissioner, and a merit badge counselor. He has received the District Award of Merit, Troop 208 Committee Person of the Year Award, and recognized as a Scout of the Month in Towpath District.

Jay Laitenberger, (Eagle Scout 1989), worked as a lifeguard at Camp Babcock-Hovey during his college years and became the Aquatics director in 1994. He ran the COPE program in 1997. After earning his masters degree, he returned to the aquatics staff, and as Aquatics Director he added a variety of new water programs to the camp's lakefront. One of his most notable projects was the boathouse renovation project, the served as the camp's director in 2015 and now head up the Cross-Country Camp during Expedition Week. Jay is also a founding member of the Babcock-Hovey Alumni Association.

Vince Mohr, (Eagle Scout 1970), has served as Assistant Scoutmaster since 1994. Additionally, he has held positions as a Unit Commissioner and Assistant District Commissioner, and worked on several district events including Cub-O-Ros and Pinewood Derby. He is also a registered Merit Badge Counselor. Vince has received such honors as 1998 Unit Scouter of the Year, Berl Thain Commissioner of the Year, Distinguished Commissioner, District Award of Merit, and District Legacy Award. He earned his Commissioner's Arrowweed in 2011 along with his Commissioner's Key and attained his Bachelor's of Commissioners Science in 2010 and his Master's in 2011.

MELVIN STICKLES, who despite an effort to join Cub Scouts as a youth himself, did not begin his Scouting career until 35 years later when his son joined Cub Scouts! In 1964, he attended a joining night and waited for a call about the first Den meeting. But that call never came. When his son joined...Mel, too, was finally in Scouting! He wasted no time getting involved as a Tiger Cub adult partner for Pack 162. He then went on to serve as Den Leader for four years as well as Pack Committee Chair and District Trainer, and Troop Committee Chair for three years. He has given leadership as Scoutmaster and Crew Advisor to Troop and Crew 222. He also served as the Mohawk District Commissioner for three years before accepting the position of back-up course director for Wood Badge.

The North Star Award is presented to non-registered volunteers who have made a significant contribution to Scouting. It is the same prestige as the Silver Beaver Award which was introduced in 1931, and is the highest award a council can bestow on a registered Scouting volunteer.

The Seneca Waterways Council is proud to present its first-ever North Star award to an individual who has given his time and talent to telling Scouting’s story for nearly 30 years.

JOHN MYERS from Myers Creative Imaging, highlights the best of Scouting through visually compelling images that have complemented our annual reports for decades. He first photographed the annual report for Seneca Waterways Council, and the former Ortejon Council, in 1991. To capture the essence of Scouting, he has travelled to all three of the council’s camp facilities, including several trips to Massawepie Scout Camps to help tell the Scouting story through the lens of his camera. John has also lent his talent to producing imagery and materials to support the council’s marketing and recruitment efforts.

Congratulations to all our Silver Beaver & North Star Honorees for their dedication and commitment to Seneca Waterways Council and to our Scouts.

“It’s the spirit within, not the veneer without, that makes a man.”

12018 Popcorn Sale
No Scout-specific fundraiser supports more Scouts’ adventures than the annual Seneca Waterways Council Popcorn Sale. In 2017, our Scouts and Explorers sold over $1.1 million dollars of popcorn, with 70% supporting our local Scouting programs. And here is the craziest part... most people in our communities were not even asked to buy some!

The 2018 Popcorn Sale promises to carry on the tradition of helping the Scouting Council fundraising opportunity to fund our Scouts’ and Explorers’ adventures. With a dedicated staff of experienced popcorn volunteers serving each of our Districts, we invite all units to join this year’s sale. This year’s Popcorn Sale will kick off on August 12th and runs through October 30th.

In addition to providing funds directly back into unit accounts for your own activities the sale also allows the Council to distribute resources (such as materials, materials, and a $250 gift card, subsidize adult and youth training programs, make camping opportunities affordable (the real cost of a week at summer camp is approximately $600 – popcorn helps to subsidize that cost), maintain our Council Service and Training Center, and provide a staff of highly trained Scouting professionals dedicated to guide your unit’s Scouting program.

We are pleased to announce that the Council will be continuing to sell Camp Masters Popcorn in 2018, complete with a great selection of prizes. Every Scout who sells at least $600 worth of popcorn will receive a Helix Power Swing and be registered for weekly drawings to win a free week of summer camp. Those Scouts who fill a popcorn order sheet and have their sheet submitted to the Scout Headquarters during the appropriate time will receive a rocket to blast off at a special event held in April 2019 at J. Warren Cutler Scout Reservation. In fact, Sellers who fill multiple popcorn order sheets will receive their first rocket, a bigger bigger rocket, and (if filling three or more sheets) a third ginormous rocket! WOW!

New this year to the Camp Masters High Achiever Prizes, a Scout can earn an Amazon gift card for selling at least $400 through the online sale. All Scouts are eligible for other great High Achiever Prizes, including a new Camping Package OR American Express Gift cheques!

Our Council Popcorn Training opportunities will give Unit Popcorn Kernel and Committee Members the information and mechanics to have the best Popcorn Sale possible in 2018. All units who send at least one leader to a training will receive a 1% Commission Bonus for your Unit to help you fund your Scouts’ or Explorers’ adventures. We are welcome at any of the trainings offered.

Setting the Record Straight
(contnet reprinted from Scoutingwire.org)

The Boy Scouts of America organization name will continue to be Boy Scouts of America. It is not changing.

Reports started circulating on Wednesday, May 2, concerning the update to the Boy Scout program name. That program currently serves boys ages 11 through 17. Beginning February 2019, the Boy Scout program name will change to “Scouts BSA” and will begin serving girls, as well as boys.

Under the new name of “Scouts BSA,” that program, which is the same iconic program it has always been, will continue to offer Scouting in single-gender troops, through which Scouts – ages 11 through 17 – can work to earn the Eagle Scout rank.

Before, during, and after that program name change, the overall organization name will continue to be Boy Scouts of America.

Both male and female participants in the Scouts BSA program will be referred to as “Scouts,” just as boys now in the Boy Scout program are often referred to as “Scouts.”

CUB SCOUT DENS WILL BE SINGLE-GENERED DENS

The Cub Scout program, which serves youth ages 5 through 10 and had been referred to as “Scouts,” just as boys, will begin serving girls, as well as boys ages 11 through 17. Beginning in January 2018 through an Early Adopter program, Cub Scout (continued on page 11)

BSA NAME NOT CHANGING

Setting the Record Straight

(content reprinted from Scoutingwire.org)

The Boy Scouts of America organization name will continue to be Boy Scouts of America. It is not changing.

Reports started circulating on Wednesday, May 2, concerning the update to the Boy Scout program name. That program currently serves boys ages 11 through 17. Beginning February 2019, the Boy Scout program name will change to “Scouts BSA” and will begin serving girls, as well as boys.

Under the new name of “Scouts BSA,” that program, which is the same iconic program it has always been, will continue to offer Scouting in single-gender troops, through which Scouts – ages 11 through 17 – can work to earn the Eagle Scout rank.

Before, during, and after that program name change, the overall organization name will continue to be Boy Scouts of America.

Both male and female participants in the Scouts BSA program will be referred to as “Scouts,” just as boys now in the Boy Scout program are often referred to as “Scouts.”

CUB SCOUT DENS WILL BE SINGLE-GENERED DENS

The Cub Scout program, which serves youth ages 5 through 10 and had been referred to as “Scouts,” just as boys, will begin serving girls, as well as boys ages 11 through 17. Beginning in January 2018 through an Early Adopter program, Cub Scout (continued on page 11)

Religious Emblems Update

Lion Program
(continued from front page)

4. The program is ideally suited for kindergarteners. Many who viewed the program initially felt that there was not enough going on to engage the youth but later said that it was perfect for the short attention-spans of kindergarteners.

5. LIONS is a perfect way to recruit parents to become leaders. The way the LION program is structured, a LION Den Leader is the primary leader, but each parent takes a turn at running one of the programs. Packs that took full advantage of this feature reported a SIGNIFICANT INCREASE IN CONVERTING PARENTS TO REGISTERED LEADERS in the second year of registration.

If your Pack did not participate in the LION program over the last two years, your District Executive along with volunteers are available to help you plan how to make LIONS effective in your Pack.

BAY WATERS

District Committee
The Bay Waters District Committee is searching for a few good women and men to help deliver a great program to all youth across the district. We are currently looking for adults with passion in finance, membership, or program to help share ideas and plan the direction of the district. If you, or someone you know, is interested in helping out please contact Bay Waters District Committee Chair Steve Mills at smills4@rochester.rr.com. The group typically meets the third Monday of the month at Penfield at the Penfield Presbyterian Church.

Spring Scouting for Food Recap
Thanks to all the Scouts, Leaders, Parents and most of all our most generous Pack and Troop neighbors who pitched in to make 2018 another successful Scouting for Food event. As a district we collected, sorted, boxed, and distributed 1090 cartons of food to 14 food cupboards in our greater Rochester area. Those 1100 boxes of food are estimated to weigh in at about 21K lbs. Around 1000 Scouts pounding the pavement made it happen in Baywater’s 3 towns. 700 adults were there by their sides.

Program Kick-off
The Bay Waters District Program Kick-off will take place at Webster Thomas High School on Thursday August 16, 2018. All unit leaders and adults are encouraged to attend this event and to receive important information regarding camping opportunities and program opportunities across the district. Leadership will be able to come together and discuss unit level planning and address any questions or concerns regarding the 2018-2019 Scouting year. This event will feature stations that leaders can visit and collect information such as Save-the-dates, recruitment materials, or sign-up sheets. More information to come!

A Bit of Scouting Thanks
The Bay Waters District would like to extend a big thank you to Doug Strong. Over the last few years, Doug Strong has served the role of District Commissioner. As a District Commissioner, Doug put in countless hours working with unit commissioners and units to address and overcome concerns. As of June 1st, Doug has since stepped down from the position, but continues to remain very active in the Scouting program including helping on the local unit level, the Bay Waters District Level, and the Seneca Waterways Council level!

There will be three types of Cub Scout packs: all-boy packs, all-girl packs and packs that include a mix of girl dens and boy dens. Cub Scout dens will be single-gender: all boys or all girls.
